Description

Thailand Sea View Land for Sale

This stunning sea view land in Thailand is situated on the scenic East coast of Phuket Island, a mere 3 km from Phuket Town. With its sloping terrain offering captivating sea views, it is conveniently located just across the road from the pristine white sand beach of Koh Sirey.

The land features a gentle slope towards the mesmerizing views, making it highly suitable for residential or hotel construction. All necessary utilities, including road access, water system, electric system, and telephone, have been completed, ensuring convenience and accessibility.

A powder sand beach in a tranquil bay is a mere 30 meters away from the land plot, offering an ideal spot for swimming. The location is serene, secluded, and perfect for those seeking peace and tranquility. Moreover, the land plot is in close proximity to the WESTIN SIREY BAY RESORT & SPA.

From this sea view land plot, you can easily reach various shops in Phuket Town within a short drive. It is also conveniently located near Rassada Pier, which serves as the departure point for ferries traveling to destinations such as Phi Phi Island and other nearby islands around Phuket.

This sea view land plot presents an excellent investment opportunity, particularly for the discerning investor looking to create a unique property. Spanning an expansive area of 61 Rai, 3 Ngan, and 33 Wah, it offers ample space for development and exploration.

The land title deed is Chanote, ensuring a secure and legitimate ownership. With a price of 12,000,000 baht per Rai, this Thailand sea view land plot represents a remarkable chance to realize your investment goals and create a distinctive property in a highly sought-after location.

Don't miss out on this exceptional opportunity to acquire this sea view land plot. Contact us today to explore this property further and make your investment aspirations a reality.
