Description

Thailand Real Estate Agents

Four bedroom oceanfront pool villa set amidst the pristine backdrop of Phuket's Eastern Coast and offering magnificent island views, this modern Thai Style Villa is sure to impress.

Comprising only a few homes, this luxury development will ensure exclusivity to owners seeking a peaceful and serene environment to relax in. Phuket's Koh Sirey has been one of those areas touted as being just on the verge of a property boom but never quite getting there.

Prices are still reasonable here on the backside of Phuket Town. This Sea View Oceanfront Villa for sale has four bedrooms plus an office. This is a hillside home on the oceanfront side of the road with stunning views overlooking Phang Nga Bay. With floor to ceiling windows, this home has plenty of light and enjoys a beautiful sunrise each morning.

This property design and layout is with a particular focus on "outdoor living" and based on a fundamental understanding of how a sea view property is used.

Sea view and beachfront properties are the most sought after rental properties and therefore command the highest rental rates.

Thailand real estate agents welcome to co-broker.
