## Ultra-Luxury Oceanfront Villas on Phuket's Prestigious Millionaire's Mile

### Property Description

Introducing **Kamala Residences**, one of Phuket's most prestigious new luxury developments, where exceptional architecture, breathtaking ocean views, and absolute privacy come together on the island's world-famous **Millionaire's Mile**. Nestled into the dramatic cliffs overlooking the Andaman Sea, this exclusive collection of just **13 ultra-luxury villas** has been thoughtfully designed to embrace its spectacular natural surroundings while delivering an uncompromising standard of modern living.

Every residence is a masterpiece of contemporary design, blending natural stone, warm timber finishes, expansive floor-to-ceiling glass, and elegant open-plan living spaces that flow effortlessly toward panoramic terraces and stunning infinity-edge swimming pools. Each villa features **4 to 6 spacious bedrooms**, all carefully positioned to capture uninterrupted sea views, allowing residents to wake each morning to the beauty of Phuket's coastline. Smart home technology, energy-efficient systems, premium materials, and meticulous craftsmanship ensure these homes are as functional as they are beautiful.

The lifestyle at Kamala Residences is equally remarkable. Owners enjoy exclusive access to a curated collection of luxury amenities including concierge services, housekeeping, landscaping, a managed rental program, a private clubhouse, wellness spa, fine dining, and an elegant live music lounge. Whether relaxing in complete privacy, entertaining family and friends, or generating rental income while away, every aspect of ownership has been carefully considered to provide a seamless luxury experience.

Its location is among the finest in Thailand. Just minutes from the white sands of Kamala Beach, residents are within easy reach of Phuket's most celebrated beach clubs, including Café del Mar, internationally renowned five-star resorts such as Amanpuri and the InterContinental Phuket Resort, championship golf courses, world-class marinas, fine dining, international schools, premium healthcare, and Central Phuket shopping mall. Despite its convenience, Kamala Residences remains wonderfully secluded, surrounded by tropical forest and dramatic coastal scenery that create a true sanctuary above the sea.

With only **13 villas available**, including both **freehold and leasehold ownership options**, Kamala Residences represents an exceptionally rare opportunity to own property in one of Phuket's most tightly held luxury neighborhoods. Properties along Millionaire's Mile have long attracted international investors, entrepreneurs, and discerning homeowners seeking privacy, exclusivity, and strong long-term capital appreciation. As Phuket continues to establish itself as one of Asia's premier luxury destinations, opportunities to secure prime oceanfront real estate of this caliber become increasingly limited.

Whether you're searching for a spectacular family residence, an elegant holiday retreat, or a trophy investment in one of Thailand's most desirable coastal locations, Kamala Residences delivers an extraordinary combination of architectural excellence, world-class amenities, and timeless value.
