Nestled within the heart of the prestigious Laguna Phuket community, **Laguna Golf Residences Hibiscus** is more than just a home—it's a sanctuary inspired by the storied past of Phuket's historic tin mines, now reimagined as a lush tropical haven.

Set on land once rich with industry and now brimming with nature, this architecturally striking development combines contemporary elegance with echoes of the island's heritage. Soft, horizontal lines and organic curves pay homage to the past, while delivering a modern, elevated living experience in every detail.

#### Exceptional Location, Unrivaled Lifestyle

Surrounded by lush greenery and just minutes from the golden sands of Bang Tao Beach, Hibiscus offers a rare blend of seclusion and convenience. Enjoy the serenity of landscaped gardens and tranquil views, while being steps from world-class golf, award-winning restaurants, luxury spas, and the stylish new Rava Beach Club. Whether you're seeking peace, play, or both—this is where it all comes together.

### **Inspired Design, Elevated Living**

Spanning five low-rise, finger-shaped buildings, the residences are thoughtfully designed to maximize panoramic sunset and golf course views. Choose from spacious 1-, 2-, or 3-bedroom layouts, or indulge in a luxurious penthouse with sweeping vistas. Select ground-floor units feature private pools or lush garden terraces—perfect for moments of pure relaxation.

Inside, natural materials—light wood, warm earth tones, and stone textures—blur the lines between indoor and outdoor living, creating an inviting, harmonious atmosphere. Outside, four free-form pools, elegant sundecks, alfresco BBQ areas, and serene tropical landscaping complete the picture of effortless resort-style living.
