Description

Unique Sea View Land for Sale

Looking for a one-of-a-kind plot of land with breathtaking views? Look no further! This spectacular piece of land offers stunning views of the Andaman Ocean and overlooks the renowned Blue Canyon Golf Course.

Not only does it boast an exceptional location, but it also features 10+ adult hardwood trees that add a unique touch of natural beauty to the property. These trees are straight up and would make it easy to build around them.

With a Chanote title and an exact size of 4 Rai (6,400m²), this plot of land is a rare find. It offers easy access from three different directions, including Blue Canyon, Airport, and the main Airport road.

Electricity is already available on the plot, and there is a great paved access road (6m) to ensure convenience and ease of transport. While a water well will be necessary, government water is within 800m.

At just 7M baht per Rai, this is a unique opportunity that you don't want to miss out on. Act fast and make this exceptional piece of land your own!
