Crafted with teakwood, a durable and elegant material, each villa is built to blend seamlessly with the lush jungle surroundings, allowing you to truly connect with nature.

Only a limited number of villas are available, ensuring that you can enjoy a serene and intimate lifestyle with like-minded neighbors.

Furniture packages are available, making it easy to move in and start enjoying your new home right away. With a build time of only 12-15 months from contract signing, your dream villa could be closer than you think.

The show villa is ready now for inspections. Please fill out our inquiry form to book an appointment.

Villas are also available in bigger sizes. Request a brochure, payment plan, and floor plan.
