Description

Villa in Thailand for Sale at Botanica

Introducing the stunning new design of Botanica Modern Loft by AAP Architecture, renowned developers of Botanica private homes in Phuket for over twelve years.

Nestled within the sought-after Botanica Phase on Soi Patak 8, this luxurious four-bedroom pool villa exudes elegance and sophistication. The centerpiece is a natural stone-tiled swimming pool, seamlessly integrated into an open floorplan accentuated by a vaulted ceiling and framed by exquisite concertina glass doors.

To enhance the allure of the idyllic outdoor setting, the eave has been extended, creating an additional lounge or dining area on the terrace, supported by striking pillars. The grand tile flooring in the front room harmoniously extends onto the terrace, blurring the boundaries between indoor and outdoor spaces.

These Phuket villas are available for purchase as freehold or leasehold, ensuring flexibility to suit your preferences. Rest assured, all homes are situated on Chanote titled land, providing peace of mind and security.

With a new proposed highway granting a second entrance to the estate, access to the airport and Phuket Town will be effortless. This development has already had a profound impact on the value of land and real estate along this upcoming thoroughfare, promising a lucrative investment opportunity.

Flexible payment plans aligned with the construction progress are available, allowing you to tailor the purchasing process to your needs. Additionally, a curated furniture package is offered at 3 million THB, ensuring that your new home is adorned with impeccable style and comfort.
