Description

Apartments in Thailand for Sale by Wyndham

This new Wyndham managed condominium hotel is rising in the Layan Beach area of Phuket and will offer **foreign freehold** and **leasehold** ownership.

Named the Laya Resort Phuket, the first phase of the project is 300 **fully furnished units** and expected completion in the second quarter of 2021. A second phase of the project is currently under planning which will reportedly be larger than the first.

Away from the hustling and bustling, this beach still enjoys one of the most sought-after communities of retails and shops on the island. Evening sunsets fill the sky when you see these apartments in Thailand for sale. This is where nature meets a curated lifestyle.

At this Wyndham managed condominium buyers have the choice of 3 different **payment plans** to choose from and an assortment of layouts available.

This is an investment product with guaranteed returns for the first 5 years. After 5 years a Wyndham renal pool will be used which they estimate will average 9% rental yields every year.
