The villa features three buildings surrounding a resort-sized central swimming pool, creating a truly private and relaxing sanctuary. From the main rooms, you'll be treated to breathtaking views of the pool, reflective ponds, and lush tropical gardens, with a perfect blend of public and private spaces.

Crafted with meticulous attention to detail, this bespoke villa seamlessly blends indoor and outdoor living, creating a timeless and elegant tropical home. The imported Italian tiles and natural, light-colored materials enhance the overall design and workmanship. You'll find five spacious bedrooms, with a whole building dedicated to the master suite, as well as additional bedrooms at the pool and upper levels. The villa features three living areas, two of which are outside and covered, making it perfect for entertaining. The modern kitchen, pantry, utility, and storerooms, as well as connecting corridors, serve as the perfect backdrop for quality furniture and sculptures. The carport, front gardens, and ponds add to the villa's grandeur, ideal for families looking for a luxurious lifestyle.

Located in a prestigious residential area, this non-estate villa is situated on a quiet road surrounded by similar large residences in Bang Tao. You'll enjoy the peace and privacy of your new home, which is just 2 km from the beach and international supermarkets, restaurants, and facilities of Boat Avenue.

Additionally, this eco-friendly home boasts its own water supply and low-power LED fittings throughout, allowing you to enjoy the benefits of sustainable living. With no water charges, common area fees, or management fees, this property represents a unique opportunity to invest in your dream home. The price includes furniture (excluding personal effects and certain artworks), making this an even more attractive option for discerning buyers.
